Neighbor to Neighbor

East Spring Street Neighborhood Association

LOVE WHERE YOU LIVE

The slogan of the East Spring Neighborhood Association is simple: Love Where You Live. For the past 6 years, neighbors in downtown New Albany have joined together believing that people have the power to create changes in our world and our community.

As part of this belief, neighbors have organized to address common issues that we share. Through community forums and direct action, we have initiated change in our city. For a list of our accomplishments, read *Tomorrow's Vision Today*.

Throughout the years, our association has developed credibility that reaches beyond our boundaries and we are proud of this fact, but we also like to have fun and know our neighbors. We have semi-annual parties, participate in the Harvest Homecoming Parade, and hold a monthly social gathering where we meet at local restaurants for great food, conversations, and

laughter. All are always invited. For more details, check *Upcoming Events*.

You are probably familiar with the idea that you must be the change that you want to see in the world. You are invited to join our association and make your voice heard. To become involved in the neighborhood association, contact us through email: info@eastspringstreet.org, send us mail (our mailing address is located on the back of this newsletter), or attend our meetings.

The East Spring Street Neighborhood Association meets on the second Wednesday of each month at 7:00pm. Meetings are held at Muir Manor on the corner of 13th and East Spring St. Our annual membership dues are reasonable at \$15 per individual or \$30 per family, with dues being used for neighborhood projects.

Your opinion matters so please get involved.

GATEWAY TO DOWNTOWN

During the past few years, you have probably noticed new businesses developing in downtown New Albany. Now it is possible to walk to dinner at fantastic restaurants, hair salons that offer affordability and style, and a farmer's market where local vendors sell fresh produce and crafts. Downtown now has a new music venue that recently celebrated its grand opening with a national act. We also have a full service locally owned bookstore that hosts Authors from around the nation.

New Albany is experiencing new growth because all of you are supporting these efforts.

The East Spring Street Neighborhood Association believes in New Albany and recently volunteered as service staff at a local restaurant to promote weekend hours. It worked, and the restaurant is now open on Saturdays.
